

STEVE HIGH, HEAD COACH

Steve High enters his 16th season as head women's basketball coach at Pittsburg State University.

During his successful tenure, High has become the winningest coach in the 30-year history of the PSU program, with a .618 winning percentage and 256 total victories, and has turned the Gorillas into a perennial contender for MIAA championships and NCAA Division II National Tournament berths.

Since coming to Pittsburg State in 1989, High has guided the Gorillas to an overall record of 256-158 (.618) and 148-104 (.587) in Mid-America Intercollegiate Athletics Association games – generally considered to be one of the top NCAA Division II women's basketball conferences in the nation.

High twice has led PSU to MIAA regular season titles. In 1991-92 his third Gorilla squad went 14-2 to capture the MIAA title; the 1995-96 team went 12-4 to share the title with Central Missouri and Missouri-Rolla. High also has guided the Gorillas to five NCAA Division II National Tournament appearances, the latest being in 1998.

PSU's success since High's arrival has resulted in one of the most loyal fan followings among the nation's Division II schools. Over the past 13 seasons (189 games) the Gorillas have played in front of 209,115 fans in games at John Lance Arena, the home of Gorilla basketball. That average of 1,106 fans per game is one of the better marks in all of women's college basketball. Such strong support has resulted in a notable home-court advantage for the Gorillas. During that 13-year span PSU has posted a 136-40 overall record (.773).

High became PSU's fifth women's basketball coach on April 24, 1989, after serving as assistant women's basketball coach for three seasons at the University of Nebraska. While High was at Lincoln, the Lady Huskers

went from seventh in the Big Eight to winning its first and only league title and a first-ever berth in the NCAA Division I National Tournament.

In his first year as a college head coach, High directed a PSU basketball team that was making the transition from the NAIA to NCAA Division II ranks. PSU posted a 13-14 overall record that season, including a 5-11 MIAA mark. High also played an integral role that year in PSU's adopting the "Gorillas" as the official mascot for PSU women's athletics.

The Gorillas qualified for the MIAA post-season tournament in High's second year as head coach in 1990-91, when the Gorillas went 11-14, 8-8 in the MIAA. In the tournament's first round, PSU was narrowly defeated, 81-74, by eventual NCAA Division II national runner-up Southeast Missouri.

In 1991-92 PSU won its first MIAA regular season title with a 14-2 mark and High was named the MIAA Co-Coach of the Year. PSU earned its first trip to the NCAA Division II National Tournament that year, after the Gorillas reached the MIAA tournament finals. PSU finished the season with a school-record 22 wins, posting a 22-9 record.

PSU followed up its conference title

with a 21-7 record and its second straight berth in the NCAA Division II playoffs in 1992-93. After going 12-4 in the MIAA, the Gorillas advanced to the semifinals of the MIAA Tournament. In the NCAA-II National Tournament PSU dropped a first-round decision to Missouri Southern.

In 1993-94, High guided a young PSU team – one dominated by 10 freshmen and sophomores – to an 18-9 overall record and a 9-7 mark in the MIAA. The Gorillas fell to Central Missouri in the opening round of the MIAA tournament and narrowly failed to qualify for post-season play.

In 1994-95, the Gorillas returned to post-season play in record-breaking fashion. PSU opened the season by winning its first 10 games, eventually posting a 22-7 record – the program's best-ever single-season winning percentage (.759) – and was ranked as high as No. 2 in Division II in early January. PSU qualified for the NCAA Division II National Tournament but dropped a 99-93 decision to Abilene Christian in the opening round.

In 1995-96, PSU posted a 17-9 overall record and shared the MIAA regular season title with a 12-4 conference mark. The Gorillas dropped a 72-71 decision to Missouri Western at home in the first round of the MIAA tournament and narrowly missed qualifying for the NCAA-II National Tournament.

The 1996-97 season may have been High's most impressive coaching performance. His squad overcame a plethora of injuries to post a 19-10 overall record and qualify for the NCAA National Tournament for the fourth time in six seasons. PSU played the months of January and February with just seven healthy players.

The 1997-98 season brought High a new challenge, as the program returned just one senior. Once again, High and the Gorillas were up to the challenge. PSU posted an 18-11

STEVE HIGH, HEAD COACH

overall record and a 10-6 MIAA mark. The Gorillas advanced to the MIAA Tournament semifinals with a 76-63 win over Central Missouri, and that win propelled PSU into the NCAA-II Tournament for the fifth time in seven years, where the Gorillas fell to Central Missouri 69-56.

In 1998-99, the Gorillas were once again stricken by injuries. High led PSU to a 19-8 finish despite having just nine players for the second half of the season. Despite the limitations the Gorillas still finished tied for third in the MIAA, posting an 11-5 conference record.

In 1999-2000, the Gorillas finished 17-10 overall, 10-8 in the MIAA. They dropped a first-round decision to MWSC in the MIAA Tournament.

In 2000-01, the Gorillas posted a 16-11 overall record (10-8 in the MIAA). With starting center Jaimee Bohannon (who was averaging a double-double) out with a season-ending injury, PSU faltered down the stretch, after an 11-3 start, and finished the season with four consecutive losses.

In 2001-02, PSU posted its second consecutive 16-11 overall record, and third straight 10-8 MIAA record. The Gorillas finished fourth in the MIAA standings and ended the season with a heartbreaking loss to fifth-seeded Missouri Southern in the first round of the MIAA Tournament.

In 2002-03, Pitt State posted a 15-13 overall record with an 8-10 MIAA mark. The Gorillas finished sixth in the conference, ending their season with a 64-61 loss to Missouri Western in the MIAA Tournament.

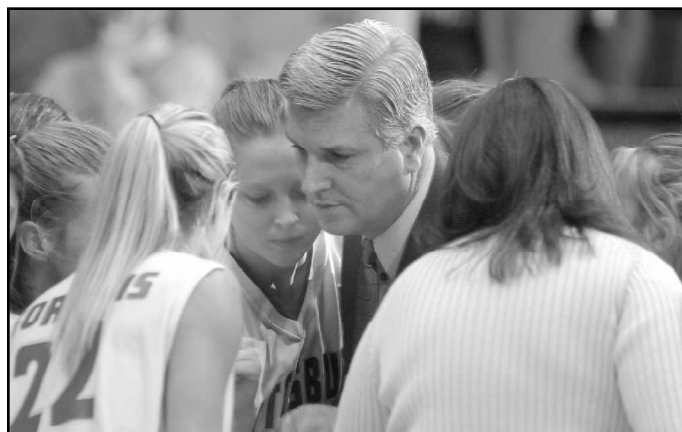

Last year, PSU posted a 12-15 overall record with a 7-11 mark in the MIAA. The Gorillas finished seventh in the league and lost, 71-58, in the first round of the MIAA Tournament to Washburn.

Prior to serving as an assistant coach at Nebraska, High was the girls' basketball coach at Linn-Mar High School in Marion, Iowa, for four seasons. He posted a 67-25 overall record at LMHS, leading the team to Iowa's first-ever five-on-five state title. High was named Metro Coach of the Year in 1984 and 1985 and was Conference Coach of the Year in 1985.

In 1991 and 1993 High was selected as one of only 24 floor coaches from around the country to assist in the U.S. Olympic Festival tryouts. He has spoken at numerous coaching clinics and is frequently asked to speak before area service clubs and church groups.

High earned a bachelor of arts degree in physical education from the University of Northern Iowa in 1974. Steve and his wife of 30 years, Anne, have a daughter, Morgan, who recently completed a four-year track & field career at Kansas State University, and a son Taylor, a 2004 graduate of Girard High School who is attending the University of Kansas.

The Highs reside in Girard.

Steve High is the winningest head coach in the 30-year history of the Gorilla Women's Basketball program, compiling a 256-158 overall record.
